

INTERESTED IN CRICKET?

The USRC's new cricket section is now looking for players of all levels – from total novices to experienced cricketers.

We are fielding a team in the Hong Kong Cricket Association's Sunday social league – the Challenge League.

Enthusiasm and a willingness to turn out for the Club are far more important, at this stage, than experience.

Maybe you enjoy watching the game, but want to see what you'd be like as a player. Perhaps you played at school and want to take it up again. Maybe you're playing it at school or university now. Or you're just plain curious.

If so, this is an exciting chance to get in on the ground as the USRC establishes itself in the Hong Kong cricket scene. The Club already has a proud cricketing connection: our Squash Section Coach Mr. Ilyas Gul has captained the Hong Kong national team and has been a regular member of Hong Kong squad for past few years.

Instruction and coaching will be provided once we build up a sufficient pool of interested players. Come and take part in an exciting game that is growing steadily in Hong Kong and will be played at the Asian Games in Guangzhou for the first time in 2010! At the same time, you'll enjoy healthy exercise, spending time outdoors and getting to know your fellow members.

All ages are welcome from teens and up. Call Liam on 6255 8595 or email liam_fitzpatrick@hotmail.com; or email Animesh at anikul61@gmail.com.

We look forward to welcoming you to the newest, keenest team in Hong Kong cricket!
