CHAIRMAN'S MESSAGE

Dear Fellow Members,

Now that the Covid pandemic in Hong Kong seems to have subsided, or at least under control through gathering restrictions and an increased uptake of community vaccinations, the Club is heading its way promisingly back to normal business and regular activities. That said, the management of USRC continues to monitor its in-house sanitisation closely and respond readily to government guidelines for changing conditions.

This Oasis bi-monthly magazine has not been published for the last few months as there being not much to report in all respects. The General Committee (GC) has decided at its last meeting that future issuance of this magazine be in the form of digital communication through our website and email for the sake of eco-friendliness and cost savings.

For your belated update and record, the Club's 24th Annual General Meeting (AGM) was held on Wed, 23rd June with good attendance despite inclement weather. The event saw Thomas Lee being elected as GC Director, KC Ng as Treasurer and myself stay as Chairman for another two-year term. We are very grateful for all your support and patronage and wish to offer a vote of thanks to Kenneth Chiu who chose to retire from the GC after four years of volunteer and exemplary service as Sports Director. His vacant post was filled by Thomas Lee while Greg Sutcliffe was re-appointed as Membership Director upon KC Ng's relinquishment of his former directorate post on elevation to Treasurer.

As far as the Club running is concerned, we managed to survive unscathed so far over this pandemic crisis, with a sound financial position maintained, steady intake of new members replacing those leaving for good, orderly resumption of normal F&B and Banquet services, the continuation of clubhouse renovation and solar panel installation for energy renewal, etc. The new Sports Director has been enthusiastically exploring ways and means to satisfy new initiative demands from individual Convenors and Members in conjunction with the GC.

Hopefully, the exceptionally unbearable scorching summer heat being experienced this year will soon be behind us. Where will a better place in town be to enjoy the upcoming gorgeous autumn breeze and greenery environment than our lovely safe haven in Jordan? See you all around in the Club!

親愛的會員：

本港新冠肺炎疫情逐漸緩和及受控，疫苗接種人數增加，政府亦陸續放寬社交隔離措施，三軍會正積極回復正常運作及各項常規活動；管理層未敢鬆懈，將密切監察會內衛生情況，因應政府的最新防疫指引，調整會內防疫措施。

由於疫情下本會活動減少，缺乏消息通報，令《Oasis雙月刊》過去幾個月暫停刊發。執行委員會在上一次會議中議決，《Oasis雙月刊》未來會以電子版本刊登，透過本會網頁及電子郵件為會員提供最新資訊，節省成本之餘，亦可減少使用紙張，推動環保。

另外，本會第 24屆週年大會已於今年 6月23日舉行。天公雖不造美，但當日會員出席率仍然理想。其中Thomas Lee 先生被選為執委會董事；KC Ng先生出任司庫，本人留任主席，任期兩年。我們衷心感謝會員的支持及贊助。另外，體育總監Kenneth Chiu先生宣佈榮休，我謹代表本會致以最誠懇的感謝，感激他過去四年義務出任職務，為會員提供優質出眾的服務。至於Thomas Lee先生會接替體育總監一職；Greg Sutcliffe 先生重選為會員部董事，KC Ng 先生則由董事職務轉任司庫。

至於三軍會營運狀況，我欣然地宣布，本會安然無恙地渡過疫情危機，繼續保持良好的財務狀況，穩定地招收新會員，取代退會會籍，有序地恢復正常的餐飲及宴會服務；至於會所翻新和太陽能電池板安裝工程則繼續進行。新任體育總監正積極研究策略，並與執委會探討，如何滿足個別召集人和會員的新建議及需求。

酷熱難耐的夏天即將過去，三軍會秋色滿園及綠意盎然的環境，是城中難得遠離塵囂的「綠洲」，也是您與親朋好友相聚的首選。一如以往，我們期待及歡迎您的蒞臨！

MASK UP

Members are required to wear a mask at all times except when swimming, showering, consuming drinks (where reasonably necessary), walking from a changing room or from a pool to another pool or when doing warm-up exercise. This is a government stipulation and those who do not do so face a \$5000 fine. Please be aware that Members/ Guests bear the responsibility, not the Club, in case of an inspection and a fine being issued.

Dear Member,

I hope that you and your loved ones are keeping well during these challenging times. With the ever changing macro situation, we're very grateful that the majority of Members took the changes in their stride, many taking the time to express their gratitude through emails in the effort to make the Club an 'Oasis' of tranquillity.

Some updated news to share. The following projects are currently being worked on; tennis court 4, solar panel project on the roof of the accommodation block and re-tiling of the upper poolside terrace, Garden Room terrace, Fitness Centre terrace and the aviary.

Here at the Club, we're planning a range of activities to cover the principal festivals of Mid-Autumn and Christmas. Expect to see information on the next issue of 'Oasis'. Hopefully, these will take place with the minimum of disruption as we return to some semblance of normality.

In an effort to reduce our carbon footprint further, the board voted to no longer produce a printed version of the magazine. You may now view the PDF version on the Club website, IG or through the 'News & Views' weekly shot.

Finally, we look forward to serving you soon at the Club. Stay healthy and stay safe!

Regards,

Noel Burns

親愛的會員：

本人期望各位在充滿挑戰的日子中保持愜意及健康。新冠肺炎疫情瞬息萬變，我衷心感謝大部份會員們從容面對本會服務的調整。執委會亦收到不少會員電郵致謝，讚揚本會致力將三軍會打造成城中恬靜的「綠洲」。

另外，在此公布數項工程的消息，其中網球場 4、住宿大樓屋頂太陽能電池板鋪設工程、池畔露台上層、花園房露台、健身中心露台及鳥舍翻新工程仍然進行中。

執委會正籌備一系列與中秋節和聖誕節相關活動，下一期《Oasis雙月刊》會公布有關資訊。隨著疫情緩和，本會正陸續回復正常運作，期望活動可以在最少的干擾下如期舉行。

為了進一步減碳，董事會已議決不再出版《Oasis雙月刊》印刷本，各位會員可透過三軍會網站、Instagram 或《消息與觀點：每週焦點》查看雙月刊的PDF 版本。

最後，我們期盼不久在三軍會為您服務，歡迎您的蒞臨。緊守防疫措施，保持健康身心！

下期見！

In praise of the 3 Rs: Reduce, Reuse and Recycle

Over the last few months you may have noticed a number of small changes around the club. Small changes that we hope will make a big difference. Our green policy asks us to “minimise waste at source and manage resources with the aim to reduce, reuse, repair, refill and recycle.” With that in mind, we have introduced new takeaway packaging that replaces the plastic we have been using until now.

The new packaging is made from natural wheat fibre pulp and recycled plant fibres. It is all fully compostable. We went through a rigorous process of testing to ensure the new range is as functional as our existing packaging, minimising the impact on our members whilst maximising the positives for the environment.

Across the globe, most of the plastic we use is not recycled, and a vast amount of it ends up in the world's oceans. A recent study estimated that plastic is killing more than 1.1 million seabirds and animals every year. Sadly, close to 700 species of marine life are facing extinction due to increasing plastic pollution. Our initiative comes at a time when there is an urgent need for society to prioritise solutions that protect and preserve our environment.

Another way we can contribute to this aim is by reducing our reliance on single-use packaging for the condiments we use. In the past, the kitchen served many dishes accompanied by several plastic or paper packets. Each packet was unrecyclable and with many going unused, this led to unnecessary waste. We have phased out these packets and introduced reusable bottles for ketchup, salt, pepper and all other condiments. Again, we were mindful of the impact on our members and considered a wide range of different solutions before finding one that was functional as well as aesthetically pleasing.

Our final small change will be barely noticeable to most members, but that's largely the point. We recently installed motion sensors in the corridors of the accommodation block, saving electricity while maintaining a safe, congenial

environment. Since this area has little footfall it was a waste of resources to keep the lights constantly switched on. This smart use of technology will reduce unnecessary expenditure on power while helping to further our environmental goals.

We sincerely hope that as a community we will embrace these initiatives and appreciate the environmental benefits they will bring. The members of the Grounds Environment & Community Relations Sub-committee would like to take this opportunity to wish all our members a safe, happy and environmentally aware rest of 2021!

Singlefile Wine Dinner

In 2004, geologists Phil and Viv Snowden decided to pursue their winemaking dream. With their geological experience, they share a compelling drive to understand the relationship between terroir and the style of wine. After researching the various wine regions of Australia, they landed in Denmark, located in Western Australia's Great Southern region and created Singlefile Wines in 2007.

Only producer in all of Australia to have four wines selected in The Weekend Australian's Top 100 Wines of 2018.

"The consistency of the quality of the Singlefile wines is outstanding, as is their value for money."

Football Convenor

September – October 2021

In this report, we look at the conclusion to the 2020-21 football season and how our teams have fared in what has been the strangest and most challenging of seasons.

USRC Gunners didn't let up in their pursuit of the Legal League Division 1 title and secured their second consecutive championship. A look at the final league table (www.legalleague.com.hk/seasons.php) reveals just how dominant Gunners were, winning by 13 points over Irish Harps and scoring more and conceding fewer than all other teams.

Everyone is looking forward to the new season to see whether Gunners can win a hat trick of titles and bring more glory to the USRC.

USRC 1911 play in the Legends League (for over-35s) and their schedule was hit harder by the pandemic, but they have more than held their own. At the time of going to press, 1911

The USRC Gunners team, winners of the Legal League Division 1 2020-21

were exactly in mid-table (5th out of 9), with one final league game to play. This game will be on 3rd September against Kennedy Town FC. There are currently three players in the running for the Top Goalscorer crown: perpetual winner Greg Turner, Jon Redding and BTS Coach Williams Nambake. All have scored 6 goals. In their final game before we took a break in August 1911 defeated HKFC at Sports Road, 2-1, with Williams and Marc Myers scoring the goals in a famous victory.

In their annual awards, three players took the honours (see photos).

scorer was comfortably John Bona with 12 goals. In a final friendly of the season, Vitesse defeated Seiko Vets 3-1 on 30th July.

As will our Academy for young players with coaching from Brasil Top Skills and their coaches (and USRC players), Emerson, Chris and Williams. Look out for news of their classes, held at the Club and King's Park, through the weekly news updates from the Club.

Finally, now, more than ever, we need Club members to join the Football Section. Whatever age, fitness or ability level you are at, we welcome you to get involved. If you are interested, please enquire at Reception or contact me directly – alanu@netvigator.com

Lawn Bowls News

Annie Yeung
Lawn Bowls Convenor

April

Sports activities of the Lawn Bowls Section eventually resumed in April 2021 after the unexpected long pause in 2020 / early 2021.

A new season of the KTSI Premier League also started in April and we had two Men and two Women teams enrolled this season.

May

Several introduction sessions were conducted for our Club members to have a glimpse of this sports-for-all-ages. Many of the participants readily joined the Section afterwards and continued with more bowling games with our veterans.

June

The Section launched the 2-1-3 in-house Sunday League in June for promoting cohesion of our members. Each match of the game week is composed of 3 sets of games including the Pairs, Singles, and Triples. Thirty-seven players in eight teams competed for the team and individual titles.

July

About fifty members participated in the Happy Bowls on 1st July to celebrate the reunification of Hong Kong with China.

A friendly match with Yuen Long Lawn Bowls Club was held on 9th July at Yuen Chau Kok Sports Centre. It is much enjoyable to have lawn bowling with peers in air-conditioned green in this hot and humid summer!

The Premier League took the summer break after completing the first half of the season. The Men A team were in third place in Division 4, and the Women A team also played a few great games in Division 1.

August

During the summer break, our green rested for a month for rejuvenation. Patrick Cheung, Thomas Lee and Noel Burns joined the Roast Pig-cutting and BaiSun ceremony for green reopening on 7th August.

Rugby News

Nigel Mattravers
Rugby Convenor

Although we are in the summer break, there has still been plenty of activity at USRC Tigers rugby.

New Director of Rugby

USRC Tigers are pleased to announce the appointment of Lewis Evans the club's new Director of Rugby and Head Coach of the Men's Premiership team.

Lewis' playing career included an impressive appearance for Gwent Dragons in Wales, captaining the side on over 50 occasions, representing Wales at U18 and U19s and playing for Wales Sevens. He coached age-grade rugby with the Dragons, later progressing to Newport RFC.

On his arrival, Lewis Evans stated: "I'm absolutely delighted to be joining USRC Tigers RFC. I've been very impressed with their vision from the Academy project and player development to building a club culture and driving standards in the first team, and across the whole Club. I'm looking forward to being part of this club and to creating a legacy at USRC Tigers"

Beach Clean up

On Saturday, 24th July our Minis, Youth, Senior ladies and men's members spent the afternoon cleaning Cheung Sha Lan Beach, filling over 25 industrial bags of rubbish, weighing in excess of 165kg in total waste. We recycled more than 200 plastic beverage bottles and over 30 single-use face masks were also collected.

It was a thoroughly rewarding day for everyone involved, and we look forward to continuing to support further environmental initiatives throughout the year.

New Director of Rugby, Lewis Evans

Tigers beach clean up

USRC Tigers at the Rugby Sevens Olympic Repechage

No fewer than 8 of our USRC Tigers were selected to represent HK in the repechage qualifications in Monaco prior to the 2020 Olympic Games in Tokyo.

A step too far unfortunately for both the HK Men's and Women's teams as they lost to Ireland and France, respectively in the process.

Summer Course/ Pre-Season

During the season break Tigers held a very well received summer course for our Minis, while our Youth Academy put on several special clinics.

The Premiership teams' pre-season preparations are in full swing and a flurry of new signings including HK National squad players Liam Slatem, Liam Herbert, Rory Cinnamon, Jack Parfitt and Mike Parfitt have brought some much-needed enforcement to the team.

USRC Tigers players on their way to Monaco

Mini and Youth rugby will restart on Sunday, August 29th so if you want to "have a try" please come up to King's Park and give it a go!

The Premiership season will see the first games on September 18th and we would like to see many club members at Kings Park to support our Women and Men Squads!

Squash News

Chung Leung
Squash Convenor

It is a great honour for me to be elected as the new squash convenor and I would like to take this opportunity to thank my predecessor Colman Ng for his hard work over the last 4 years. Colman has so enjoyed his time on the squash committee that he has agreed to stay on as the Secretary of the Squash Section and to assist in a smooth transition.

With things slowly returning to normal the section has been busy with several events during the summer.

HK Squash Team Championship

A 3 player team competition with the teams playing in groups of 4 and the top 2 teams going through to the knockout stage. USRC fielded 2 teams with 1 team making it to stage 2. Well done to both teams in what was a very tough field.

USRC teams in the Team Competition

Masters Summer League

The Masters' Summer League is one of the highlights of the summer squash calendar and as defending champions the pressure was on for USRC to improve in order to retain the title. This year the team has been strengthened by the recruitment of some new masters – Raj, Quincy, James and Christian. At the time of writing we are 2/3 of the way in and in 3rd position with a good chance to strike back in the remaining matches. Regardless of the outcome, it has been an enjoyable event with all teams competing hard in both Parts “A” and “B”. Thanks also to Captain Wilfred for maintaining high standards over the last few years.

Masters team celebrating Part B

Hong Kong Squash Junior Ranking Tournament 2021

Congratulations to Aidan Yuen for winning the Under 11 category, he is undoubtedly a star of the future and USRC are in a lucky position to have him representing the teams next season. Aidan is now Hong Kong number 1 in the Under 11's and number 2 in Asia.

Aidan Yuen with the U11 award

Junior Squash Training

Club Professional Ilyas Gull has been running the junior training for the last few months and this has been very successful in introducing a new generation of youngsters to the game. The training has focussed on technique, movement and fitness and is suitable for players of all ages and abilities. If anyone is interested in joining please contact Ilyas or Amos Yuen. Most of these juniors will hopefully go on to be the future of USRC squash.

New Trophy Cabinet

Due to a long history of success, the old trophy cabinet was no longer suitable to display the numerous awards on the way so the facilities team has kindly built a new cabinet complete with lighting. On behalf of the squash section we would like to thank the staff for their hard work.

Looking ahead, the 2021 Club championship will be starting soon, followed by the annual dinner – details to be announced soon.

- Convenor: Mimi Wong
- Secretary: Henry Lau

An In-House Team Match was organised right after the Annual General Meeting. Attendees were divided into three teams with a total of 18 players joining the game.

Thursday duplicate

Weekly duplicates were hosted by the Bridge Section, with a maximum capacity of five tables following the Covid social distancing restrictions. These sessions follow closely with the American Contract Bridge League 'Zero Tolerance Policy', which outlines and eliminates any violence and undesirable behaviour from players. Participating members and guests are registered to play with the invitation from Bridge Convenor to ensure joy and harmony during the game. 9 duplicate sessions were carried out in June and July under the supervision of the authorised tournament Director.

Friday online team game

Winning Team in July:

Henry, Tim, Mimi, Lucie, won by 8-IMP, Well done!

Monday and Wednesday Bridge

These sessions are organised for Bridge Section members. They are run in a relaxed but serious game atmosphere. Bridge is a game in which players improve by learning from their own mistakes. Several advanced players are invited to play and give advice to members during the practice. Participating players have to follow the official set of bridge systems as developed by the Bridge Section. A total of 17 sessions were run in the two months of June and July and were very well attended.

Any interest in playing bridge?

Bridge is a great way to keep your mind agile while making new, like-minded friends. It's also hugely rewarding to learn, whether socially or competitively.

If you would like to learn to play bridge or meet up for a social game, please contact the Convenor at WhatsApp 9120 3789 or email usrbridge@gmail.com
